

# V-series PTZ Camera

SD9368-EHL / SD9384-EHL / SD9394-EHL

The V-series PTZ camera delivers clear images in any lighting condition. Capture sharp visuals over long distances with powerful zoom and long-range IR illumination. Ideal for airports, city surveillance, and industrial sites, it features AI-powered Smart Tracking Advanced to automatically follow unusual activities in real time. Seamlessly syncing with nearby cameras, it ensures comprehensive coverage and proactive security, giving users confidence that no detail will be missed.

## Features

● Hardware ● Software

### 2 / 5 / 8MP Resolution

V-series Pan-Tilt-Zoom AI Camera

### Up to 40x Optical Zoom

Up to 320x with 8x digital zoom

### Electronic Image Stabilization

Reliable and detailed visuals anytime

### Pan Speed up to 450°/sec

Capture with precision

### Up to 250M IR

### 120 dB WDR Pro

### Rugged Protection

IP66, IK10 and NEMA 4X

### Interoperability with Nearby Camera

Sync with PTZ camera to get the detail

### Smarter patrol with video analytics

With multiple detection rules

### Vision Object Analytic

Identify people, vehicles and attributes

### Deep Search

Available with supported platform

### Trend-Micro™ IoT Security

Defend and Quarantine Vulnerability Protection

## Clear Night Imaging at Long Range

Deliver sharp visuals up to 8MP with 40x optical zoom and 250M IR, ensuring clear images even in low light. Uniform IR eliminates hotspots for complete coverage, with flexible resolutions for any need.

50M

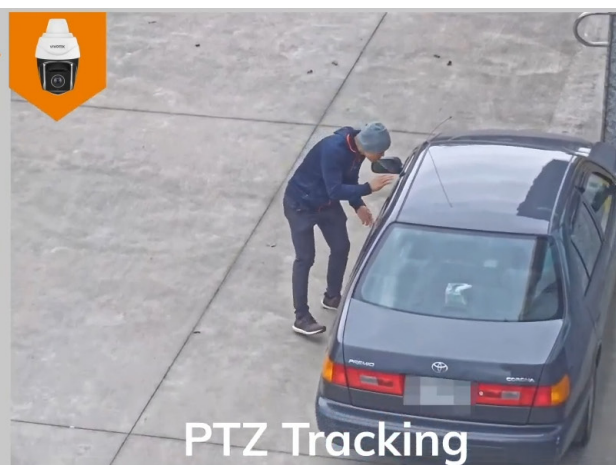

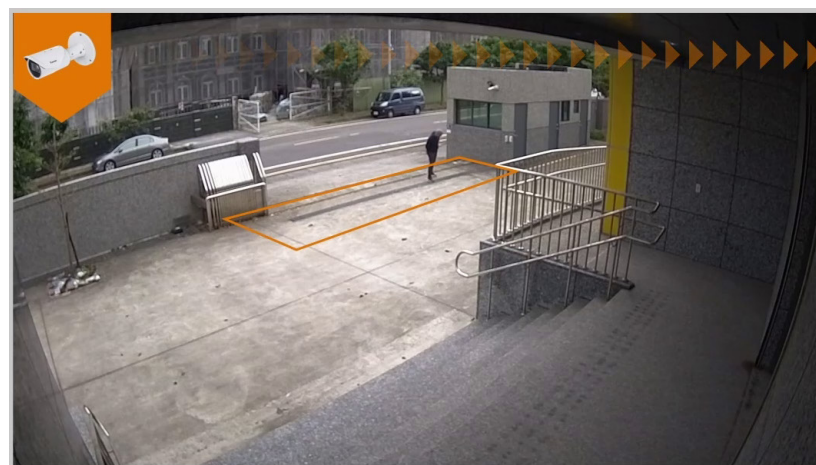

100M

200M

## Interoperability with Nearby Camera

No manual intervention needed. Connect nearby cameras, like panoramic models, to PTZ cameras for seamless event detection and automatic zoom, ensuring precise monitoring without a video management system.

## Smarter Patrol with Video Analytics

Secure wide coverage with Smart Tracking Advanced and PTZ patrol. Set multiple VCA rules to identify abnormal behavior, protect sensitive zones, and track suspicious activity in patrol ranges. Run simultaneous VCA events for enhanced details and efficient surveillance.

Perimeter intrusion

Fence jump

Loitering in critical location

# Complete Video Security with VIVOTEK Solution

Access and manage all devices and accounts through a single platform, providing accurate event monitoring and intuitive security system operation video investigation no matter where you are.

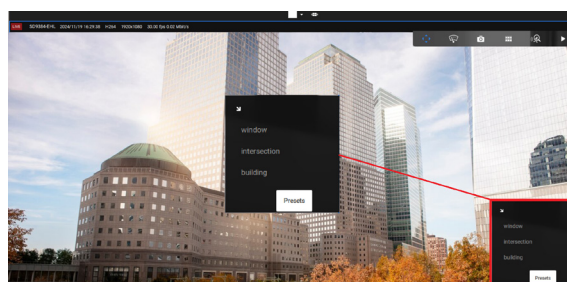

## Intuitive PTZ control with joystick, clicks and zoom to focus area

Effortlessly adjust the field of view and zoom ratio with the joystick, click/scroll, or draw the focus area. Experience seamless management on a single platform.

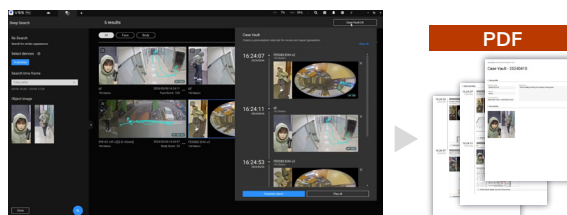

## Direct control for presets switching

Easily manage PTZ preset positions through the VMS or NVR without opening a separate browser.

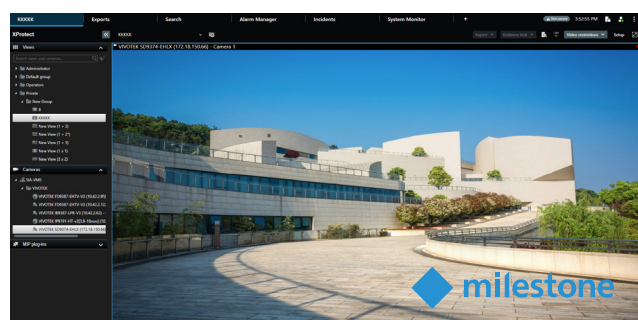

## Generate case report and export video in organized

Turn Deep Search findings into organized clips and streamlined reports with Case Vault, simplifying case management.

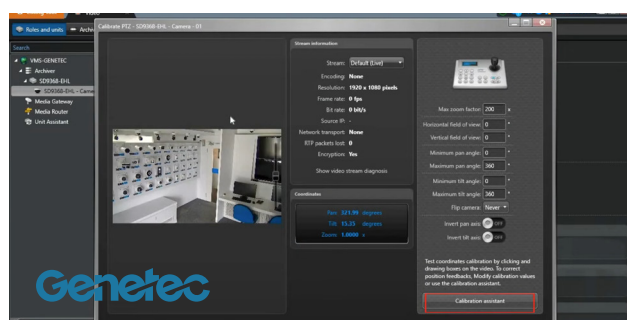

# Unified AI PTZ Management on Milestone and Genetec

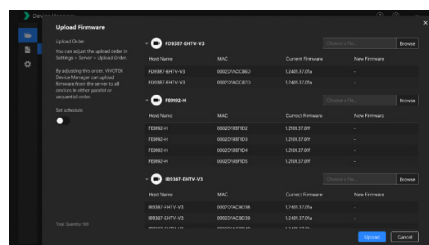

Optimize your Milestone XProtect or Genetec Security Center with VIVOTEK's PTZ AI cameras, featuring PTZ control, VIVOTEK joystick integration (AJ-001), Smart Tracking Advanced, and Deep Search by attributes for instant evidence retrieval.

Milestone XProtect

Genetec Security Center

## VIVOTEK Device Manager – Batch Configuration

Device Manager saves PTZ preset positions into the camera configuration file, enabling backup and restore for multiple PTZ cameras. With our batch configuration, IP allocation, HTTPS certificates, and firmware updates have never been easier.

## Ordering Information

Models	SD9368-EHL	SD9384-EHL	SD9394-EHL
Resolution	2MP	5MP	8MP
Max. Frame Rate	60 fps @ 1920x1080	30 fps @ 2560x1920	30 fps @ 2560x1920
Optical Zoom	40x	30x	32x
Aperture	F1.6~F4.95	F1.3~F4.6	F1.4~F4.9
Iris Type	DC-Iris	DC-Iris	P-Iris
IR Range	250M	200M	250M
Included Accessories	AM-220	AM-220	AM-21P

## Accessories

Wall Mount Bracket	Mounting Adapter	Joystick	Cabinet	Industrial PoE Switch / Injector
