You are required to send a copy of this letter to all manufacturing locations authorized under UL Solutions File E324690, Volume X5.

The Follow-Up Services Procedure covering your product(s) will typically be provided by UL Solutions within 10 business days. The UL Solutions certification directory is updated with active certifications shortly after projects are reviewed and completed. Please visit <https://productiq.ulprospector.com/> to search for the certification.

Products that bear the UL Mark must be identical to those submitted to UL for evaluation and certification and must comply with the Follow-Up Services Procedure covering your product(s).
